Part A: Incentive to First Time Employees:

Targeting first-time employees registered with EPFO, this Part will offer one-month EPF wage up to Rs 15,000 in two installments. Employees with salaries up to Rs 1 lakh will be eligible. The 1st installment will be payable after 6 months of service and the 2nd installment will be payable after 12 months of service and completion of a financial literacy programme by the employee. To encourage the habit of saving, a portion of the incentive will be kept in a savings instrument of deposit account for a fixed period and can be withdrawn by the employee at a later date.

The Part A will benefit around 1.92 crore first time employees.

Part B: Support to Employers:

This part will cover generation of additional employment in all sectors, with a special focus on the manufacturing sector. The employers will get incentives in respect of employees with salaries up to Rs 1 lakh. For the manufacturing sector, incentives will be extended to the 3rd and 4th years as well.

Establishments, which are registered with EPFO, will be required to hire at least two additional employees (for employers with less than 50 employees) or five additional employees (for employers with 50 or more employees), on a sustained basis for at least six months.

The incentive structure will be as under:

EPF Wage Slabs of Additional Employee (in	Benefit to the Employer (per additional employment per month)
Up to Rs 10,000*	Upto Rs 1,000
More than Rs 10,000 and up to Rs 20,000	Rs 2,000
More than Rs 20,000 (upto salary of Rs 1 Lakh/month)	Rs 3,000

**Employees with EPF wages up to Rs. 10,000 will get a proportional incentive.*

This part is expected to incentivize employers for the creation of additional employment of nearly 2.60 crore persons.

Incentive Payment Mechanism:

All payments to the First Time Employees under Part A of the Scheme will be made through DBT (Direct Benefit Transfer) mode using Aadhar Bridge Payment System (ABPS). Payments to the Employers under Part B will be made directly into their PAN-linked Accounts.

With ELI Scheme, the government intends to catalyse job creation in all sectors, particularly in manufacturing sector, besides incentivizing youth joining the workforce for the first time. An

important outcome of the Scheme will also be formalization of the country's workforce by extending social security coverage for crores of young men and women.

Press Release

Income Tax Department Cracks Down on Bogus Claims of Deductions & Exemptions

The Income Tax Department initiated a large-scale verification operation across multiple locations in the country on 14th July 2025, targeting individuals and entities facilitating fraudulent claims of deductions and exemptions in Income Tax Returns (ITRs). This action follows a detailed analysis of the misuse of tax benefits under the Income-tax Act, 1961, often in collusion with professional intermediaries.

Investigations have uncovered organized rackets operated by certain ITR preparers and intermediaries, who have been filing returns claiming fictitious deductions and exemptions. These fraudulent filings involve the abuse of beneficial provisions, with some even submitting false TDS returns to claim excessive refunds.

To identify suspicious patterns, the Department has leveraged financial data received from third-party sources, ground-level intelligence, and advanced artificial intelligence tools. These findings are further substantiated by recent search and seizure operations conducted in Maharashtra, Tamil Nadu, Delhi, Gujarat, Punjab, and Madhya Pradesh, where evidence of fraudulent claims was found to have been used by various groups and entities.

Analysis reveals rampant misuse of deductions under sections 10(13A), 80GGC, 80E, 80D, 80EE, 80EEB, 80G, 80GGA, and 80DDDB. Exemptions have been claimed without valid justification. Employees of MNCs, PSUs, government bodies, academic institutions, and entrepreneurs are among those implicated. Taxpayers are often lured into these fraudulent schemes with promises of inflated refunds in return for a commission. Despite a fully e-enabled tax administration system, ineffective communication remains a significant hurdle in assisting taxpayers. It has been observed that such ITR preparers often create temporary email IDs solely for filing bulk returns, which are later abandoned, resulting in official notices going unread.

In line with its guiding principle of 'Trust Taxpayers First', the Department has emphasized voluntary compliance. Over the past year, the Department has carried out extensive outreach efforts, including SMS and email advisories, nudging suspected taxpayers to revise their returns and pay the correct tax. Physical outreach programs, both on and off campus, have also been conducted. As a result, approximately 40,000 taxpayers have updated their returns in the last four months, voluntarily withdrawing false claims amounting to ₹1,045 crore. However, many remain non-compliant, possibly under the influence of the masterminds behind these evasion rackets.

The Department is now poised to take stern action against continued fraudulent claims, including penalties and prosecution wherever applicable. The ongoing verification exercise across 150 premises is expected to yield crucial evidence, including digital records, that will aid in dismantling the networks behind these schemes and ensure accountability under the law.

Further investigations are currently underway.

Taxpayers are again advised to file correct particulars of their income and communication coordinates and not be influenced by advice from unauthorized agents or intermediaries promising undue refunds.
